11     1. The board may require a national criminal history check  
12 through the federal bureau of investigation for applicants  
13 for certification or registration, or for persons certified  
14 or registered, under this chapter if needed to comply with  
15 federal law or regulation, or the policies of the appraisal  
16 qualification board of the appraisal foundation.

17     2. The board may require applicants, certificate holders,  
18 or registrants to provide a full set of fingerprints, in a  
19 form and manner prescribed by the board. Such fingerprints,  
20 if required, shall be submitted to the federal bureau of  
21 investigation through the state criminal history repository for  
22 purposes of the national criminal history check.

23     3. The board may also request and obtain, notwithstanding  
24 section 692.2, subsection 5, criminal history data for  
25 applicants, certificate holders, and registrants. A request

5 6. Criminal history data and other criminal history  
6 information relating to an applicant, certificate holder, or  
7 registrant obtained by the board pursuant to this section is  
8 confidential. Such information may, however, be used by the  
9 board in a certificate or registration denial or disciplinary  
10 proceeding.

11 Sec. 29. Section 544A.21, Code 2013, is amended by striking  
12 the section and inserting in lieu thereof the following:

13 **544A.21 Practice by business entities.**

19 PROVISIONS. A license which would otherwise expire on or  
20 before the effective date of this Act pursuant to Code sections

22 December 31, 2013, or January 1, 2014, as applicable.

23 **EXPLANATION**

24 This bill relates to matters under the purview of the banking  
25 division of the department of commerce.

26 The bill amends provisions which currently prohibit a  
27 depository, defined as a bank or credit union in which public  
28 funds are deposited, from directly or indirectly paying  
29 interest to a public officer on a demand deposit of public  
30 funds, and prohibit a public officer from taking or receiving  
31 interest. The bill provides that a depository may pay interest  
32 to a public officer on deposits of public funds, and a public  
33 officer may take or receive it. The bill deletes a provision  
34 that the previous prohibition did not apply to interest on time  
35 certificates of deposit or savings accounts for public funds.

1     The bill deletes a provision characterizing a borrowing  
2 group, for purposes of loans and extensions of credit by a  
3 state bank, as including a person and any legal entity where  
4 the interests of a group of more than one borrower, or any  
5 combination of the members of the group, are so interrelated  
6 that they should be considered a unit for the purpose of  
7 applying lending limit limitations.

8     The bill makes several similar modifications throughout  
9 Code chapters 533A (relating to engaging in the business of  
10 debt management), 533C (relating to engaging in the business  
11 of money transmission and engaging in the business of currency  
12 exchange), and 533D (relating to engaging in a delayed deposit  
13 service business). The bill provides that the superintendent  
14 of banking may authorize applicants and licensees to be  
15 licensed through a nationwide licensing system and to pay  
16 the corresponding system processing fees, and that the  
17 superintendent may establish by rule or order new requirements  
18 including but not limited to requirements that applicants,  
19 including officers and directors and those who have control of  
20 the applicant, submit to fingerprinting and criminal history  
21 checks. The bill states that in order to reduce the points of  
22 contact which the federal bureau of investigation may have to  
23 maintain the superintendent may use the nationwide licensing  
24 system as a channeling agent for requesting information from  
25 and distributing information to the United States department of  
26 justice or other governmental agency, or to or from any other  
27 source so directed by the superintendent.

28     Also, with reference to Code chapters 533A, 533C, and  
29 533D, the bill provides that the superintendent may receive  
30 documents, materials, or other information, including otherwise  
31 confidential and privileged documents, materials, or other  
32 information, through a nationwide licensing system and from  
33 other local, state, federal, or international regulatory  
34 agencies, the conference of state bank supervisors and  
35 its affiliates and subsidiaries, the national association

1 of consumer credit administrators and its affiliates and  
2 subsidiaries, and any other regulator associations, and shall  
3 maintain as confidential and privileged any such document,  
4 material, or other information received with notice or the  
5 understanding that it is confidential or privileged under the  
6 laws of the jurisdiction that is the source of the document,  
7 material, or other information.

8       Additionally, with reference to Code chapters 533A, 533C,  
9 and 533D, the bill makes licensure expiration and renewal dates  
10 consistent as December 1 for renewal and either December 31 or  
11 January 1 (in the case of a delayed deposit services business)  
12 for expiration.

13       The bill provides transition provisions specifying that  
14 licenses which would otherwise have expired on or before the  
15 bill's effective date of July 1, 2013, shall remain in full  
16 force and effect until the expiration date as modified by the  
17 bill.

18       The bill deletes outdated references to licensure under Code  
19 chapter 533B, Code 2003, and related transition provisions,  
20 contained in Code section 533C.904.

21       The bill adds to confidentiality provisions relating to the  
22 mortgage licensing Act contained in Code section 535D.15. The  
23 bill states that, except as otherwise provided by the Code  
24 chapter, all papers, documents, examination reports, and other  
25 writings relating to the supervision of licensees are not  
26 public records and are not subject to disclosure under Code  
27 chapter 22.

28       The bill changes the requirements for the five real estate  
29 appraiser members of the Iowa real estate appraiser board  
30 to require that they be actively engaged in practice as a  
31 certified real estate appraiser and shall have been so engaged  
32 for five years preceding their appointment, with at least  
33 the last two years in this state. The bill makes conforming  
34 changes consistent with this modification, and provides  
35 that vacancies occurring during a term shall be filled by

1 appointment by the governor for the unexpired term. The  
2 bill permits a member to serve for three consecutive terms,  
3 an increase from the current limit of two such terms, and  
4 states that appointment to fill an unexpired term shall not  
5 be considered a complete term for this purpose. The bill  
6 authorizes members to be eligible for per diem and actual and  
7 necessary expenses. Further, the bill modifies provisions  
8 which had previously stated that the board shall consider and  
9 may incorporate any standards recommended by the appraisal  
10 foundation, or by a professional appraisal organization, or  
11 by a public authority or organization responsible to review  
12 appraisals or for the oversight of appraisers. This provision  
13 is modified to refer to consideration and incorporation of any  
14 standards required or recommended by the appraisal foundation  
15 or by a federal agency with regulatory authority over appraisal  
16 standards or the certification of appraisers for federally  
17 related transactions.

18 The bill provides that uniform appraisal standards shall,  
19 in addition to the current requirements, require compliance  
20 with the uniform standards of professional appraisal practice  
21 in all appraisal assignments. The bill also provides that the  
22 board shall maintain a registry of the names and certificate  
23 numbers, instead of addresses, of certified appraisers and  
24 the names and registration numbers of registered associate  
25 appraisers. The bill deletes a provision, with reference  
26 to continuing education requirements, that instructional  
27 hours by correspondence and home study courses claimed by an  
28 appraiser shall not exceed 50 percent of the required hours of  
29 instruction necessary for renewal.

30 Again with reference to real estate appraisers, the bill  
31 adds provisions relating to criminal background checks.  
32 The bill states that the board is authorized to require a  
33 national criminal history check through the federal bureau  
34 of investigation for applicants, certificate holders, or  
35 registrants if needed to comply with federal law or regulation,

1 or the policies of the appraisal qualification board of the  
2 appraisal foundation. The bill states that the board is also  
3 authorized to request and obtain state criminal history data  
4 for applicants, certificate holders, and registrants. The  
5 bill specifies that a request for criminal history data shall  
6 be submitted to the department of public safety, division  
7 of criminal investigation, pursuant to Code section 692.2,  
8 subsection 1. The bill authorizes the board, in addition to  
9 any other fees, to charge and collect such amounts as may  
10 be incurred by the board, the department of public safety,  
11 or federal bureau of investigation, in obtaining criminal  
12 history information. The board shall inform the applicant,  
13 certificate holder, or registrant of the requirement of a  
14 national criminal history check or request for criminal history  
15 data and obtain a signed waiver from the applicant, certificate  
16 holder, or registrant prior to requesting the check or data.  
17 Additionally, the bill specifies that criminal history data and  
18 other criminal history information relating to an applicant,  
19 certificate holder, or registrant obtained by the board is  
20 confidential but may be used by the board in a certificate or  
21 registration denial or disciplinary proceeding.

22 The bill deletes references to a "written" or "oral"  
23 examination in relation to engineering, land surveying, real  
24 estate broker and salesperson, and real estate appraiser  
25 licensing examinations in favor of the nonspecific reference  
26 to "examinations".

27 Finally, the bill deletes current detailed provisions  
28 contained in Code section 544A.21 imposing requirements  
29 relating to the practice of architecture through business  
30 entities to protect the public from misleading and deceptive  
31 advertising and to guard against the unlicensed practice of  
32 architecture. The provisions are replaced with the statement  
33 that the board shall adopt rules regarding the practice of  
34 architecture through business entities.
